| Manufacturer               | Nordic BioSite                                                                                                 |
| Host                       | Rabbit                                                                                                         |
| Category                   | Antikörper                                                                                                     |
| Application                | ELISA, FC, WB                                                                                                  |
| Species Reactivity         | Human                                                                                                          |
| Immunogen                  | E.coli-derived human TMEM132A recombinant protein (Position: Q38-H279).                                        |
| Product Description        | Anti-TMEM132A Antibody . Tested in ELISA, Flow Cytometry, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                     |
| Concentration              | 500 ug/ml                                                                                                      |
| NCBI                       | <a href="#">54972</a>                                                                                          |
| UniProt                    | <a href="#">Q24JP5</a>                                                                                         |
| Target                     | TMEM132A                                                                                                       |
| Antibody Type              | Primary Antibody                                                                                               |
