| Manufacturer               | Nordic BioSite                                                                                                           |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | FC                                                                                                                       |
| Species Reactivity         | Human, Mouse, Rat                                                                                                        |
| Immunogen                  | E.coli-derived human IRS2 recombinant protein (Position: R83-E1338).                                                     |
| Conjugation                | PE                                                                                                                       |
| Product Description        | Anti-IRS2 Antibody . Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | 500 ug/ml                                                                                                                |
| NCBI                       | <a href="#">8660</a>                                                                                                     |
| UniProt                    | <a href="#">Q9Y4H2</a>                                                                                                   |
| Target                     | IRS2                                                                                                                     |
