| Article Name               | TrkC/NTRK3, DyLight 550, Rabbit, Polyclonal                                                                                                            |
| Biozol Catalog Number      | NBS-ABB-ALMWUY-100                                                                                                                                     |
| Supplier Catalog Number    | ABB-ALMWUY-100                                                                                                                                         |
| Alternative Catalog Number | NBS-ABB-ALMWUY-100                                                                                                                                     |
| Manufacturer               | Nordic BioSite                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                             |
| Application                | IHC, WB                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human TrkC, different from the related mouse and rat sequences by one amino acid. |
| Conjugation                | DyLight 550                                                                                                                                            |
| Product Description        | Anti-TrkC/NTRK3 Antibody . Tested in IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                                             |
| Clonality                  | Polyclonal                                                                                                                                             |
| Concentration              | 500 ug/ml                                                                                                                                              |
| Molecular Weight           | 94428 MW                                                                                                                                               |
| Sensitivity                | <10pg/ml                                                                                                                                               |

|               |                        |
