| Manufacturer               | Nordic BioSite                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                            |
| Application                | ELISA, FC, IF, IHC, WB                                                                                                                                                |
| Species Reactivity         | Human                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human SAMD9L recombinant protein (Position: L1223-R1557). Human SAMD9L shares 69.3% amino acid (aa) sequence identity with mouse SAMD9L, respectively. |
| Product Description        | Anti-SAMD9L Antibody . Tested in WB, IHC, IF, FCM(Fixed), ELISA applications. This antibody reacts with Human....                                                     |
| Clonality                  | Polyclonal                                                                                                                                                            |
| Concentration              | 500 ug/ml                                                                                                                                                             |
| Molecular Weight           | 52588 MW                                                                                                                                                              |
| NCBI                       | <a href="#">219285</a>                                                                                                                                                |
| UniProt                    | <a href="#">Q8IVG5</a>                                                                                                                                                |
