| Manufacturer               | Nordic BioSite                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                  |
| Application                | WB                                                                                                                                                          |
| Species Reactivity         | Mouse, Rat                                                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of mouse Foxp3, which shares 94.4% amino acid (aa) sequence identity with human FOXP3. |
| Conjugation                | DyLight 550                                                                                                                                                 |
| Product Description        | Anti-Foxp3 Antibody . Tested in WB applications. This antibody reacts with Mouse, Rat....                                                                   |
| Clonality                  | Polyclonal                                                                                                                                                  |
| Concentration              | 500 ug/ml                                                                                                                                                   |
| Molecular Weight           | 137910 MW                                                                                                                                                   |
| NCBI                       | <a href="#">20371</a>                                                                                                                                       |
