| Manufacturer               | Nordic BioSite                                                                                                        |
| Host                       | Rabbit                                                                                                                |
| Category                   | Antikörper                                                                                                            |
| Application                | ICC, IF, IHC, WB                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                     |
| Immunogen                  | Full length recombinant protein of human p53DINP1.                                                                    |
| Product Description        | Anti-p53DINP1 TP53INP1 Antibody . Tested in WB,ICC,IF,IHC applications. This antibody reacts with Human,Mouse,Rat.... |
| Clonality                  | Polyclonal                                                                                                            |
| Molecular Weight           | 27366 MW                                                                                                              |
| NCBI                       | <a href="#">94241</a>                                                                                                 |
| UniProt                    | <a href="#">Q96A56</a>                                                                                                |
| Target                     | TP53INP1                                                                                                              |
| Antibody Type              | Primary Antibody                                                                                                      |
