| Manufacturer               | Nordic BioSite                                                                                                                                          |
| Host                       | Mouse                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                              |
| Application                | FC, IHC, WB                                                                                                                                             |
| Species Reactivity         | Human, Mouse                                                                                                                                            |
| Immunogen                  | E.coli-derived human Poliovirus Receptor/PVR recombinant protein (Position: D28-E331).                                                                  |
| Conjugation                | Unconjugated                                                                                                                                            |
| Product Description        | Anti-Poliovirus Receptor/PVR Antibody (monoclonal, 3B11E9) . Tested in Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse.... |
| Clonality                  | Monoclonal                                                                                                                                              |
| Concentration              | 500 ug/ml                                                                                                                                               |
| Clone Designation          | [3B11E9]                                                                                                                                                |

|                  |                        |
|------------------|------------------------|
| Molecular Weight | 70-80 kDa              |
| Isotype          | IgG2b                  |
| Sensitivity      | >5000 cells            |
| NCBI             | <a href="#">5817</a>   |
| UniProt          | <a href="#">P15151</a> |
| Target           | PVR                    |
| Antibody Type    | Primary Antibody       |
