| Manufacturer               | Nordic BioSite                                                                                                     |
| Host                       | Rabbit                                                                                                             |
| Category                   | Antikörper                                                                                                         |
| Application                | FC                                                                                                                 |
| Species Reactivity         | Human                                                                                                              |
| Immunogen                  | E.coli-derived human L3MBTL3 recombinant protein (Position: Q11-R686).                                             |
| Conjugation                | Cy3                                                                                                                |
| Product Description        | Anti-L3MBTL3 Antibody . Tested in ELISA, IHC, WB, Flow Cytometry applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                         |
| Concentration              | 500 ug/ml                                                                                                          |
| Molecular Weight           | 29370 MW                                                                                                           |
| NCBI                       | <a href="#">84456</a>                                                                                              |
| UniProt                    | <a href="#">Q96JM7</a>                                                                                             |
