| Alternative Catalog Number | NBS-ABB-OVZHLA-100                                                                                                |
| Manufacturer               | Nordic BioSite                                                                                                    |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | ELISA, FC, WB                                                                                                     |
| Species Reactivity         | Human                                                                                                             |
| Immunogen                  | E.coli-derived human CEA/CEACAM5 recombinant protein (Position: N553-G678).                                       |
| Conjugation                | Unconjugated                                                                                                      |
| Product Description        | Anti-CEA/CEACAM5 Antibody . Tested in ELISA, Flow Cytometry, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | 500 ug/ml                                                                                                         |
| Molecular Weight           | 132494 MW                                                                                                         |
| NCBI                       | <a href="#">1048</a>                                                                                              |
| UniProt                    | <a href="#">P06731</a>                                                                                            |
