| Category                   | Biochemikalien                                                                                     |
| Product Description        | Ethanol-d6 is the deuterium labeled Ethanol....                                                    |
| Molecular Weight           | 52.11                                                                                              |
| Purity                     | 99.90                                                                                              |
| CAS Number                 | [1516-08-1]                                                                                        |
| Formula                    | C2D6O                                                                                              |
| Target                     | Isotope-Labeled Compounds                                                                          |
| Application Notes          | Isotope-Labeled Compounds                                                                          |
