| Manufacturer               | MedchemExpress                                                                   |
| Category                   | Kits/Assays                                                                      |
| Product Description        | Woodwards Reagent K is a biochemical assay reagent....                           |
| Molecular Weight           | 253.28                                                                           |
| Purity                     | 98                                                                               |
| CAS Number                 | [4156-16-5]                                                                      |
| Formula                    | C11H11NO4S                                                                       |
| Target                     | Biochemical Assay Reagents                                                       |
| Application Notes          | Biochemical Assay Reagents                                                       |
