| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | ELISA, FC, ICC, IF, WB                                                                                                                                                                                                                                       |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                  | E.coli-derived human KEAP1 recombinant protein (Position: K84-K312).                                                                                                                                                                                         |
| Conjugation                | DyLight 550                                                                                                                                                                                                                                                  |
| Product Description        | Boster Bio Anti-KEAP1 Antibody Picoband catalog A00514-3. Tested in ELISA, Flow Cytometry, IF, ICC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior qualit... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | 66-72 kDa                                                                                                                                                                                                                                                    |

|                    |                                                                                                                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q14145</a>                                                                                                                                                                             |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                          |
| Purity             | Immunogen affinity purified.                                                                                                                                                                       |
| Form               | Lyophilized                                                                                                                                                                                        |
| Application Dilute | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human Flow<br>Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, - |
