## Product Datasheet

### **Rhodiolin, CAS [[86831-53-0]] AMO-M16811**

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Article Name               | Rhodiolin, CAS [[86831-53-0]]                             |
| Biozol Catalog Number      | AMO-M16811                                                |
| Supplier Catalog Number    | M16811                                                    |
| Alternative Catalog Number | AMO-M16811-1MG,AMO-M16811-5MG                             |
| Manufacturer               | Abmole Bioscience                                         |
| Category                   | Biochemikalien                                            |
| Product Description        | Rhodiolin is a flavonoid isolated from Rhodiola rosea.... |
| Molecular Weight           | 480.42                                                    |
| Purity                     | 98.0%                                                     |
| CAS Number                 | [86831-53-0]                                              |
| Formula                    | C25H20O10                                                 |
| Target                     | Flavonoids                                                |
