## Product Datasheet

### **5beta-Cholanic acid, CAS [[546-18-9]] AMO-M55038**

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| Article Name               | 5beta-Cholanic acid, CAS [[546-18-9]]                                             |
| Biozol Catalog Number      | AMO-M55038                                                                        |
| Supplier Catalog Number    | M55038                                                                            |
| Alternative Catalog Number | AMO-M55038-10MG,AMO-M55038-50MG                                                   |
| Manufacturer               | Abmole Bioscience                                                                 |
| Category                   | Biochemikalien                                                                    |
| Product Description        | 5beta-Cholanic acid can be used for 5beta-Cholanic acid derivatives synthesis.... |
| Molecular Weight           | 360.57                                                                            |
| Purity                     | 99.0%                                                                             |
| CAS Number                 | [546-18-9]                                                                        |
| Formula                    | C24H40O2                                                                          |
| Target                     | Metabolite/Endogenous Metabolite                                                  |
