## Product Datasheet

### Human Leptin receptor (LEPR) protein (Recombinant) NBS-PSJ-9TIOU6-500

|                            |                                                                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Human Leptin receptor (LEPR) protein (Recombinant)                                                                                                 |
| Biozol Catalog Number      | NBS-PSJ-9TIOU6-500                                                                                                                                 |
| Supplier Catalog Number    | PSJ-9TIOU6-500                                                                                                                                     |
| Alternative Catalog Number | NBS-PSJ-9TIOU6-500                                                                                                                                 |
| Manufacturer               | Nordic BioSite                                                                                                                                     |
| Category                   | Proteine/Peptide                                                                                                                                   |
| Immunogen                  | Optimized DNA sequence encoding extracellular domain of human leptin receptor including a C-terminal polyHis tag was expressed in HEK293 cells. NA |
| Conjugation                | Unconjugated                                                                                                                                       |
| Product Description        | Human Leptin receptor (LEPR) protein (Recombinant)...                                                                                              |
| NCBI                       | <a href="#">3953</a>                                                                                                                               |
| UniProt                    | <a href="#">P48357</a>                                                                                                                             |
| Purity                     | >98%, as determined by SDS-PAGE and HPLC NA                                                                                                        |
