| Category                   | Proteine/Peptide                                                                                                                                                                                                                       |
| Immunogen                  | Recombinant Human LOX-1/OLR1 Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Ser61-Gln273) of human LOX-1/OLR1 (Accession NP_002534.1) fused with a 6*His tag at the C-terminus. |
| Conjugation                | Unconjugated                                                                                                                                                                                                                           |
| Product Description        | Human LOX-1/OLR1 protein (Recombinant) (C-His)...                                                                                                                                                                                      |
