## Product Datasheet

### SARS-CoV-2 membrane glycoprotein, Biotin, Rabbit, Polyclonal NBS-ASJ-0WTFDL-100

|                            |                                                                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | SARS-CoV-2 membrane glycoprotein, Biotin, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | NBS-ASJ-0WTFDL-100                                                                                                                  |
| Supplier Catalog Number    | ASJ-0WTFDL-100                                                                                                                      |
| Alternative Catalog Number | NBS-ASJ-0WTFDL-100                                                                                                                  |
| Manufacturer               | Nordic BioSite                                                                                                                      |
| Host                       | Rabbit                                                                                                                              |
| Category                   | Antikörper                                                                                                                          |
| Application                | ELISA, IP, WB                                                                                                                       |
| Species Reactivity         | Virus                                                                                                                               |
| Immunogen                  | Synthetic peptide taken from unique amino acid sequence on membrane glycoprotein [Severe acute respiratory syndrome coronavirus 2]. |
| Conjugation                | Biotin                                                                                                                              |
| Product Description        | Anti-SARS-CoV-2 membrane glycoprotein antibody {Biotin}...                                                                          |
| Clonality                  | Polyclonal                                                                                                                          |
| Concentration              | 0.5-1.5 ug/ul                                                                                                                       |
| Target                     | SARS-CoV-2 membrane glycoprotein                                                                                                    |
| Antibody Type              | Primary Antibody                                                                                                                    |
| Application Dilute         | ELISA 1:50, 000, IP 1:200, WB 1:500                                                                                                 |
