| Article Name               | KCNJ11, Unconjugated, Rabbit, Polyclonal                                                                             |
| Biozol Catalog Number      | NBS-ASJ-6QRBGW-200                                                                                                   |
| Supplier Catalog Number    | ASJ-6QRBGW-200                                                                                                       |
| Alternative Catalog Number | NBS-ASJ-6QRBGW-200                                                                                                   |
| Manufacturer               | Nordic BioSite                                                                                                       |
| Host                       | Rabbit                                                                                                               |
| Category                   | Antikörper                                                                                                           |
| Application                | ELISA, IF, IHC, WB                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                    |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from the human Kir6.2 at the amino acid range 190-239 |
| Conjugation                | Unconjugated                                                                                                         |
| Product Description        | Anti-KCNJ11 antibody (190-239 aa)...                                                                                 |
| Clonality                  | Polyclonal                                                                                                           |
| Concentration              | 1 mg/ml                                                                                                              |
| NCBI                       | <a href="#">3767</a>                                                                                                 |
| UniProt                    | <a href="#">Q14654</a>                                                                                               |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                              |

|                    |                                                                  |
|--------------------|------------------------------------------------------------------|
| Target             | KCNJ11                                                           |
| Antibody Type      | Primary Antibody                                                 |
| Application Dilute | ELISA 1:10000, IF 1:200-1:1000, IHC 1:100-1:300, WB 1:500-1:2000 |
