| Alternative Catalog Number | NBS-ASJ-9MAI7D-300                                                                                                        |
| Manufacturer               | Nordic BioSite                                                                                                            |
| Host                       | Goat                                                                                                                      |
| Category                   | Antikörper                                                                                                                |
| Application                | WB                                                                                                                        |
| Species Reactivity         | Virus                                                                                                                     |
| Immunogen                  | Affinity purified recombinant fusion protein using the C-terminal of Nsp2 (residues 480 to stop) and produced in E. coli. |
| Conjugation                | Unconjugated                                                                                                              |
| Product Description        | Anti-SARS-CoV-2 NSP2 antibody (480-stop)...                                                                               |
| Clonality                  | Polyclonal                                                                                                                |
| Concentration              | 3 mg/ml                                                                                                                   |
| Target                     | SARS-CoV-2 NSP2                                                                                                           |
| Antibody Type              | Primary Antibody                                                                                                          |
| Application Dilute         | WB 1:500-1:2000                                                                                                           |
