| Article Name               | Phospho-EGFR-Tyr1069, Unconjugated, Rabbit, Polyclonal                                                                                                          |
| Biozol Catalog Number      | NBS-ASJ-BJKACZ-200                                                                                                                                              |
| Supplier Catalog Number    | ASJ-BJKACZ-200                                                                                                                                                  |
| Alternative Catalog Number | NBS-ASJ-BJKACZ-200                                                                                                                                              |
| Manufacturer               | Nordic BioSite                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                                      |
| Application                | ELISA, WB                                                                                                                                                       |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                                                                       |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from the human EGFR around the phosphorylation site of Tyr1069 at the amino acid range 1041-1090 |
| Conjugation                | Unconjugated                                                                                                                                                    |
| Product Description        | Anti-Phospho-EGFR-Tyr1069 antibody (1041-1090 aa)...                                                                                                            |
| Clonality                  | Polyclonal                                                                                                                                                      |
| Concentration              | 1 mg/ml                                                                                                                                                         |
| NCBI                       | <a href="#">1956</a>                                                                                                                                            |
| UniProt                    | <a href="#">P00533</a>                                                                                                                                          |

|                    |                                                                         |
|--------------------|-------------------------------------------------------------------------|
| Buffer             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Target             | Phospho-EGFR-Tyr1069                                                    |
| Antibody Type      | Primary Antibody                                                        |
| Application Dilute | ELISA 1:20000, WB 1:500-1:2000                                          |
