## Product Datasheet

### **PDE2A, Biotin, Rabbit, Polyclonal NBS-ASJ-BJTDHO-100**

|                            |                                                                                |
|----------------------------|--------------------------------------------------------------------------------|
| Article Name               | PDE2A, Biotin, Rabbit, Polyclonal                                              |
| Biozol Catalog Number      | NBS-ASJ-BJTDHO-100                                                             |
| Supplier Catalog Number    | ASJ-BJTDHO-100                                                                 |
| Alternative Catalog Number | NBS-ASJ-BJTDHO-100                                                             |
| Manufacturer               | Nordic BioSite                                                                 |
| Host                       | Rabbit                                                                         |
| Category                   | Antikörper                                                                     |
| Application                | ELISA, IP, WB                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                              |
| Immunogen                  | Synthetic peptide taken within amino acid region 1-50 on human PDE2A4 protein. |
| Conjugation                | Biotin                                                                         |
| Product Description        | Anti-PDE2A antibody (1-50) {Biotin}...                                         |
| Clonality                  | Polyclonal                                                                     |
| Concentration              | 0.5 ug/ul                                                                      |
| NCBI                       | <a href="#">5138</a>                                                           |
| UniProt                    | <a href="#">O00408</a>                                                         |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Tris/glycine buffer at pH 7.4 containing 0.02% sodium azide as preservative, cryo-protective agents, 0.5% stabilizing protein BSA and 30% glycerol. |
| Target             | PDE2A                                                                                                                                               |
| Antibody Type      | Primary Antibody                                                                                                                                    |
| Application Dilute | DB 1:10, 000, ELISA 1:10, 000, IP 1:200, WB 1:500                                                                                                   |
