| Article Name               | OR4A16                                                                                             |
| Biozol Catalog Number      | NBS-ASJ-DHZMBK-50                                                                                  |
| Supplier Catalog Number    | ASJ-DHZMBK-50                                                                                      |
| Alternative Catalog Number | NBS-ASJ-DHZMBK-50                                                                                  |
| Manufacturer               | Nordic BioSite                                                                                     |
| Host                       | Rabbit                                                                                             |
| Category                   | Antikörper                                                                                         |
| Application                | ELISA, IF, WB                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                  |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human OR4A16. AA range:261-310 |
| Conjugation                | Unconjugated                                                                                       |
| Product Description        | Anti-OR4A16 antibody (261-310)...                                                                  |
| Clonality                  | Polyclonal                                                                                         |
| Concentration              | 1 mg/ml                                                                                            |
| NCBI                       | <a href="#">81327</a>                                                                              |
| UniProt                    | <a href="#">Q8NH70</a>                                                                             |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                            |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Target             | OR4A16                                          |
| Antibody Type      | Primary Antibody                                |
| Application Dilute | ELISA 1:20000, IF 1:200-1:1000, WB 1:500-1:2000 |
