### Acetyl-Histone H3-K9, Unconjugated, Rabbit, Polyclonal NBS-ASJ-DUQCD2-200

|                            |                                                                                                            |
|----------------------------|------------------------------------------------------------------------------------------------------------|
| Article Name               | Acetyl-Histone H3-K9, Unconjugated, Rabbit, Polyclonal                                                     |
| Biozol Catalog Number      | NBS-ASJ-DUQCD2-200                                                                                         |
| Supplier Catalog Number    | ASJ-DUQCD2-200                                                                                             |
| Alternative Catalog Number | NBS-ASJ-DUQCD2-200                                                                                         |
| Manufacturer               | Nordic BioSite                                                                                             |
| Host                       | Rabbit                                                                                                     |
| Category                   | Antikörper                                                                                                 |
| Application                | ChIP, ELISA, ICC, IF, IHC, IP, WB                                                                          |
| Species Reactivity         | Human, Mouse, Other, Rat                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence within amino acids 2-19 of human Histone H3 (NP_003520.1). |
| Conjugation                | Unconjugated                                                                                               |
| Product Description        | Anti-Acetyl-Histone H3-K9 antibody (2-19)...                                                               |
| Clonality                  | Polyclonal                                                                                                 |
| NCBI                       | <a href="#">8290</a>                                                                                       |
| UniProt                    | <a href="#">P68431</a>                                                                                     |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                          |
| Target                     | Acetyl-Histone H3-K9                                                                                       |
| Antibody Type              | Primary Antibody                                                                                           |

|                    |                                                                                                                                                                                                                      |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ChIP 5 mu g antibody for 5 mu g-10 mu g of chromatin, ChIP 1:20-1:50, ELISA 1 ug/ml, ICC 1:50-1:200, IF 1:50-1:200, IHC-P 1:50-1:200, IP 0.5ug-4ug antibody for 200ug-400ug extracts of whole cells, WB 1:500-1:1000 |
