| Article Name               | RELA, Unconjugated, Rabbit, Polyclonal                                                                            |
| Biozol Catalog Number      | NBS-ASJ-EW8AY0-200                                                                                                |
| Supplier Catalog Number    | ASJ-EW8AY0-200                                                                                                    |
| Alternative Catalog Number | NBS-ASJ-EW8AY0-200                                                                                                |
| Manufacturer               | Nordic BioSite                                                                                                    |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | ELISA, ICC, IF, IP, WB                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                 |
| Immunogen                  | A synthetic peptide corresponding to a sequence within amino acids 450-551 of human NF-kB p65/RelA (NP_068810.3). |
| Conjugation                | Unconjugated                                                                                                      |
| Product Description        | Anti-RELA antibody (450-551)...                                                                                   |
| Clonality                  | Polyclonal                                                                                                        |
| NCBI                       | <a href="#">5970</a>                                                                                              |
| UniProt                    | <a href="#">Q04206</a>                                                                                            |
| Buffer                     | PBS with 0.02% sodium azide, 50% glycerol, pH7.3.                                                                 |
| Target                     | RELA                                                                                                              |
| Antibody Type              | Primary Antibody                                                                                                  |

|                    |                                                               |
|--------------------|---------------------------------------------------------------|
| Application Dilute | ELISA 1 ug/ml, ICC 1:50-1:200, IF 1:50-1:200, WB 1:500-1:2000 |
|--------------------|---------------------------------------------------------------|
