## Product Datasheet

### Occludin, Unconjugated, Rabbit, Polyclonal NBS-ASJ-HJNUPR-100

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| Article Name               | Occludin, Unconjugated, Rabbit, Polyclonal                                        |
| Biozol Catalog Number      | NBS-ASJ-HJNUPR-100                                                                |
| Supplier Catalog Number    | ASJ-HJNUPR-100                                                                    |
| Alternative Catalog Number | NBS-ASJ-HJNUPR-100                                                                |
| Manufacturer               | Nordic BioSite                                                                    |
| Host                       | Rabbit                                                                            |
| Category                   | Antikörper                                                                        |
| Application                | ELISA, IP, WB                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                 |
| Immunogen                  | Synthetic peptide taken within amino acid region 450-523 on rat Occludin protein. |
| Conjugation                | Unconjugated                                                                      |
| Product Description        | Anti-Occludin antibody (450-523)...                                               |
| Clonality                  | Polyclonal                                                                        |
| Concentration              | 0.5-1.5 ug/ul                                                                     |
| NCBI                       | <a href="#">83497</a>                                                             |
| UniProt                    | <a href="#">Q6P6T5</a>                                                            |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Tris/glycine buffer at pH 7.4 containing 0.02% sodium azide as preservative, cryo-protective agents, 0.5% stabilizing protein BSA and 30% glycerol. |
| Target             | Occludin                                                                                                                                            |
| Antibody Type      | Primary Antibody                                                                                                                                    |
| Application Dilute | ELISA 1:50, 000, IP 1:200, WB 1:2, 500-1:5, 000                                                                                                     |
