## Product Datasheet

### RIOK3, Unconjugated, Rabbit, Polyclonal NBS-ASJ-PZFMLY-100

|                            |                                                                                                                     |
|----------------------------|---------------------------------------------------------------------------------------------------------------------|
| Article Name               | RIOK3, Unconjugated, Rabbit, Polyclonal                                                                             |
| Biozol Catalog Number      | NBS-ASJ-PZFMLY-100                                                                                                  |
| Supplier Catalog Number    | ASJ-PZFMLY-100                                                                                                      |
| Alternative Catalog Number | NBS-ASJ-PZFMLY-100                                                                                                  |
| Manufacturer               | Nordic BioSite                                                                                                      |
| Host                       | Rabbit                                                                                                              |
| Category                   | Antikörper                                                                                                          |
| Application                | ELISA, IHC, WB                                                                                                      |
| Species Reactivity         | Human, Mouse                                                                                                        |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from the human RIOK3 at the amino acid range 271-320 |
| Conjugation                | Unconjugated                                                                                                        |
| Product Description        | Anti-RIOK3 antibody (271-320 aa)...                                                                                 |
| Clonality                  | Polyclonal                                                                                                          |
| Concentration              | 1 mg/ml                                                                                                             |
| NCBI                       | <a href="#">8780</a>                                                                                                |
| UniProt                    | <a href="#">O14730</a>                                                                                              |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                             |

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Target             | RIOK3                                               |
| Antibody Type      | Primary Antibody                                    |
| Application Dilute | ELISA 1:2000-1:20000, IHC-P 1:50-300, WB 1:500-2000 |
