| Article Name               | Recombinant-SARS-CoV-2 Spike RBD, Clone: [38G5], Unconjugated, Human, Monoclonal                                     |
| Biozol Catalog Number      | NBS-ASJ-UGNY18-500                                                                                                   |
| Supplier Catalog Number    | ASJ-UGNY18-500                                                                                                       |
| Alternative Catalog Number | NBS-ASJ-UGNY18-500                                                                                                   |
| Manufacturer               | Nordic BioSite                                                                                                       |
| Host                       | Human                                                                                                                |
| Category                   | Antikörper                                                                                                           |
| Application                | ELISA                                                                                                                |
| Species Reactivity         | Virus                                                                                                                |
| Immunogen                  | SARS-CoV-2 virus (PBMCs isolated from patients recovered from SARS-CoV-2 infection, antibodies) Spike RBD SARS-CoV-2 |
| Conjugation                | Unconjugated                                                                                                         |
| Product Description        | Anti-Recombinant-SARS-CoV-2 Spike RBD antibody [38G5]...                                                             |
| Clonality                  | Monoclonal                                                                                                           |
| Clone Designation          | [38G5]                                                                                                               |
| Target                     | Recombinant-SARS-CoV-2 Spike RBD                                                                                     |
| Antibody Type              | Primary Antibody                                                                                                     |

|                    |                           |
|--------------------|---------------------------|
| Application Dilute | inELISA 0.02 - 0.04 ng/ml |
|--------------------|---------------------------|
