| Article Name               | CRYGA                                                                           |
| Biozol Catalog Number      | NBS-ASJ-XQXARH-20                                                               |
| Supplier Catalog Number    | ASJ-XQXARH-20                                                                   |
| Alternative Catalog Number | NBS-ASJ-XQXARH-20                                                               |
| Manufacturer               | Nordic BioSite                                                                  |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | WB                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                               |
| Immunogen                  | Synthesized peptide derived from the human CRGA at the amino acid range 105-155 |
| Conjugation                | Unconjugated                                                                    |
| Product Description        | Anti-CRYGA antibody (105-155 aa)...                                             |
| Clonality                  | Polyclonal                                                                      |
| Concentration              | 1 mg/ml                                                                         |
| NCBI                       | <a href="#">1418</a>                                                            |
| UniProt                    | <a href="#">P11844</a>                                                          |
| Target                     | CRYGA                                                                           |
| Antibody Type              | Primary Antibody                                                                |

|                    |               |
