| Alternative Catalog Number | NBS-AAT-M17BEI-100                                                                   |
| Manufacturer               | Nordic BioSite                                                                       |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Application                | ELISA, FC, ICC, IF, WB                                                               |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Recombinant human FCGR1A (16-292aa) purified from E.coli                             |
| Conjugation                | Unconjugated                                                                         |
| Product Description        | Human CD64/FCGR1A antibody...                                                        |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | 1 mg/ml                                                                              |
| Clone Designation          | [AT37F7]                                                                             |
| NCBI                       | <a href="#">2209</a>                                                                 |
| UniProt                    | <a href="#">P12314</a>                                                               |
| Buffer                     | Liquid. In Phosphate-Buffered Saline (pH 7.4) with 0.02% Sodium Azide, 10% Glycerol. |
