| Alternative Catalog Number | NBS-AAT-VKI9BY-50                                                                    |
| Manufacturer               | Nordic BioSite                                                                       |
| Host                       | Mouse                                                                                |
| Category                   | Antikörper                                                                           |
| Application                | ELISA, FC, WB                                                                        |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Recombinant human KLRD1 (32-179aa) purified from E. coli                             |
| Conjugation                | Unconjugated                                                                         |
| Product Description        | Human CD94/KLRD1 antibody...                                                         |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | 1 mg/ml                                                                              |
| Clone Designation          | [AT13E3]                                                                             |
| NCBI                       | <a href="#">3824</a>                                                                 |
| UniProt                    | <a href="#">Q13241</a>                                                               |
| Buffer                     | Liquid. In Phosphate-Buffered Saline (pH 7.4) with 0.02% Sodium Azide, 10% Glycerol. |
