## Product Datasheet

### **Crystallin alpha A/CRYAA, Clone: [c9F2], Unconjugated, Mouse, Monoclonal NBS-AAT-WLI594-50**

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Crystallin alpha A/CRYAA, Clone: [c9F2], Unconjugated, Mouse, Monoclonal  |
| Biozol Catalog Number      | NBS-AAT-WLI594-50                                                         |
| Supplier Catalog Number    | AAT-WLI594-50                                                             |
| Alternative Catalog Number | NBS-AAT-WLI594-50                                                         |
| Manufacturer               | Nordic BioSite                                                            |
| Host                       | Mouse                                                                     |
| Category                   | Antikörper                                                                |
| Application                | ELISA, WB                                                                 |
| Species Reactivity         | Human                                                                     |
| Immunogen                  | Recombinant human AlphaA Crystallin/CRYAA (1-173aa) purified from E. coli |
| Conjugation                | Unconjugated                                                              |
| Product Description        | Human Crystallin alpha A/CRYAA antibody...                                |
| Clonality                  | Monoclonal                                                                |
| Concentration              | 1 mg/ml                                                                   |
| Clone Designation          | [c9F2]                                                                    |
| NCBI                       | <a href="#">102724652</a>                                                 |

|               |                                                                                     |
|---------------|-------------------------------------------------------------------------------------|
| UniProt       | <a href="#">P02489</a>                                                              |
| Buffer        | Liquid. In Phosphate-Buffered Saline (pH 7.4) with 0.02% Sodium Azide, 10% Glycerol |
| Antibody Type | Primary Antibody                                                                    |
