## Product Datasheet

### IL-6 Recombinant Protein, Bacteria NBS-BT-NQ0T06-1

|                            |                                                                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | IL-6 Recombinant Protein, Bacteria                                                                                                            |
| Biozol Catalog Number      | NBS-BT-NQ0T06-1                                                                                                                               |
| Supplier Catalog Number    | BT-NQ0T06-1                                                                                                                                   |
| Alternative Catalog Number | NBS-BT-NQ0T06-1                                                                                                                               |
| Manufacturer               | Nordic BioSite                                                                                                                                |
| Host                       | Bacteria                                                                                                                                      |
| Category                   | Proteine/Peptide                                                                                                                              |
| Product Description        | IL-6 Recombinant Protein...                                                                                                                   |
| Molecular Weight           | ~26kDa                                                                                                                                        |
| Tag                        | His-tag                                                                                                                                       |
| Buffer                     | PBS, 4M Urea, PH7.4                                                                                                                           |
| Purity                     | Transferred into competent cells and the supernatant was purified by NI column affinity chromatography and the purity is > 85% (by SDS-PAGE). |
