## Product Datasheet

### Human MHC antibody (anti-myosin heavy chain antibody) ELISA Kit NBS-EKX-XHQ75X-96

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Human MHC antibody (anti-myosin heavy chain antibody) ELISA Kit    |
| Biozol Catalog Number      | NBS-EKX-XHQ75X-96                                                  |
| Supplier Catalog Number    | EKX-XHQ75X-96                                                      |
| Alternative Catalog Number | NBS-EKX-XHQ75X-96                                                  |
| Manufacturer               | Nordic BioSite                                                     |
| Category                   | Kits/Assays                                                        |
| Application                | ELISA                                                              |
| Species Reactivity         | Human                                                              |
| Product Description        | Human MHC antibody (anti-myosin heavy chain antibody) ELISA Kit... |
| Range                      | 0.313-20ng/ml                                                      |
| Sensitivity                | 0.188ng/ml                                                         |
| Target                     | MHC-Ab                                                             |
