## Product Datasheet

### Recombinant human Follistatin/FST protein NBS-PAT-4HGZ9Y-50

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Recombinant human Follistatin/FST protein                            |
| Biozol Catalog Number      | NBS-PAT-4HGZ9Y-50                                                    |
| Supplier Catalog Number    | PAT-4HGZ9Y-50                                                        |
| Alternative Catalog Number | NBS-PAT-4HGZ9Y-50                                                    |
| Manufacturer               | Nordic BioSite                                                       |
| Category                   | Proteine/Peptide                                                     |
| Application                | SDS-PAGE                                                             |
| Species Reactivity         | Human                                                                |
| Product Description        | Recombinant human Follistatin/FST protein...                         |
| Concentration              | 0.25 mg/ml                                                           |
| Molecular Weight           | 32.5 kDa (295aa) 40-57 kDa, reducing conditions                      |
| Tag                        | HIS Tag                                                              |
| NCBI                       | <a href="#">10468</a>                                                |
| UniProt                    | <a href="#">P19883</a>                                               |
| Buffer                     | Liquid. In Phosphate buffer saline (pH 7.4) containing 10% glycerol. |
| Purity                     | >90%                                                                 |
