## Product Datasheet

### Recombinant human UXT protein NBS-PAT-AR5L57-100

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | Recombinant human UXT protein                                               |
| Biozol Catalog Number      | NBS-PAT-AR5L57-100                                                          |
| Supplier Catalog Number    | PAT-AR5L57-100                                                              |
| Alternative Catalog Number | NBS-PAT-AR5L57-100                                                          |
| Manufacturer               | Nordic BioSite                                                              |
| Category                   | Proteine/Peptide                                                            |
| Application                | SDS-PAGE                                                                    |
| Species Reactivity         | Human                                                                       |
| Product Description        | Recombinant human UXT protein...                                            |
| Concentration              | 1 mg/ml                                                                     |
| Molecular Weight           | 20.4 kDa (177aa)                                                            |
| Tag                        | HIS Tag                                                                     |
| NCBI                       | <a href="#">8409</a>                                                        |
| UniProt                    | <a href="#">Q9UBK9</a>                                                      |
| Buffer                     | Liquid. In 20mM Tris-HCl buffer (pH 8.0) containing 0.4M urea, 10% glycerol |
| Purity                     | >90%                                                                        |
