## Product Datasheet

### Recombinant human CD95/FAS protein NBS-PAT-DMVK5M-250

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Recombinant human CD95/FAS protein                                     |
| Biozol Catalog Number      | NBS-PAT-DMVK5M-250                                                     |
| Supplier Catalog Number    | PAT-DMVK5M-250                                                         |
| Alternative Catalog Number | NBS-PAT-DMVK5M-250                                                     |
| Manufacturer               | Nordic BioSite                                                         |
| Category                   | Proteine/Peptide                                                       |
| Application                | SDS-PAGE                                                               |
| Species Reactivity         | Human                                                                  |
| Product Description        | Recombinant human CD95/FAS protein...                                  |
| Concentration              | 0.5 mg/ml                                                              |
| Molecular Weight           | 17.7 kDa (156aa)                                                       |
| Tag                        | HIS Tag                                                                |
| NCBI                       | <a href="#">355</a>                                                    |
| UniProt                    | <a href="#">P25445</a>                                                 |
| Buffer                     | Liquid. In Phosphate Buffered Saline (pH 7.4) containing 10% glycerol. |
| Purity                     | >95%                                                                   |
