## Product Datasheet

### Recombinant human Glutaredoxin 3/GLRX3 protein NBS-PAT-UHKPSA-100

|                            |                                                                       |
|----------------------------|-----------------------------------------------------------------------|
| Article Name               | Recombinant human Glutaredoxin 3/GLRX3 protein                        |
| Biozol Catalog Number      | NBS-PAT-UHKPSA-100                                                    |
| Supplier Catalog Number    | PAT-UHKPSA-100                                                        |
| Alternative Catalog Number | NBS-PAT-UHKPSA-100                                                    |
| Manufacturer               | Nordic BioSite                                                        |
| Category                   | Proteine/Peptide                                                      |
| Application                | SDS-PAGE                                                              |
| Species Reactivity         | Human                                                                 |
| Product Description        | Recombinant human Glutaredoxin 3/GLRX3 protein...                     |
| Concentration              | 0.5 mg/ml                                                             |
| Molecular Weight           | 39.6 kDa (355aa) confirmed by MALDI-TOF                               |
| Tag                        | HIS Tag                                                               |
| NCBI                       | <a href="#">10539</a>                                                 |
| UniProt                    | <a href="#">O76003</a>                                                |
| Buffer                     | Liquid. 20mM Tris-HCl buffer (pH8.0) containing 10% glycerol, 1mM DTT |
| Purity                     | >95%                                                                  |
