| Category                   | Proteine/Peptide                                                                                                                                                                                                                                   |
| Immunogen                  | Recombinant Human CXCL1/GRO-alpha Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Ala35-Asn107) of human CXCL1/GRO-alpha (Accession NP_001502.1) fused with and a hFc tag at the C-terminus. |
| Product Description        | Human CXCL1/GRO-alpha protein (Recombinant) (C-hFC)...                                                                                                                                                                                             |
