| Alternative Catalog Number | MCE-HY-W769381-500UG                                                   |
| Manufacturer               | MedchemExpress                                                         |
| Category                   | Biochemikalien                                                         |
| Product Description        | Lycopsamine N-oxide-d7 is deuterium labeled Lycopsamine N-oxide[1].... |
| Molecular Weight           | 322.41                                                                 |
| Formula                    | C15H18D7NO6                                                            |
| Target                     | Isotope-Labeled Compounds                                              |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                            |
