| Host                       | Rabbit                                                                                                         |
| Category                   | Antikörper                                                                                                     |
| Application                | ICC, WB                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                              |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 100-200 of human IL1RA (P18510). |
| Conjugation                | Unconjugated                                                                                                   |
| Product Description        | Rabbit monoclonal [ARC0524] antibody to IL-1RA....                                                             |
| Clonality                  | Monoclonal                                                                                                     |
| Concentration              | Lot Specific                                                                                                   |
| Clone Designation          | [ARC0524]                                                                                                      |
| Molecular Weight           | 22 kDa                                                                                                         |
| Buffer                     | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol, 0.05% BSA, and 0.02% Sodium Azide.           |

|                    |                                                                                   |
|--------------------|-----------------------------------------------------------------------------------|
| Form               | Liquid                                                                            |
| Sequence           | ETRLQLEAVNITDLSNRKQDKRFAFIRSDSGPTTSFESAACPGWFLCTAMEA<br>DQPVSLTNMPDEGVMVTKFYFQEDE |
| Target             | IL-1RA                                                                            |
| Antibody Type      | Primary Antibody                                                                  |
| Application Dilute | WB: 1:500-1:2,000, ICC/IF: 1:50-1:200                                             |
