| Article Name               | SHANK3, Unconjugated, Rabbit, Polyclonal                                                                               |
| Biozol Catalog Number      | NBS-ASJ-UUG4IY-100                                                                                                     |
| Supplier Catalog Number    | ASJ-UUG4IY-100                                                                                                         |
| Alternative Catalog Number | NBS-ASJ-UUG4IY-100                                                                                                     |
| Manufacturer               | Nordic BioSite                                                                                                         |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Application                | ELISA, IHC, IP, WB                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                      |
| Immunogen                  | Synthetic peptide taken within amino acid region 1600-1650 on mouse SH3 and multiple ankyrin repeat domains protein 3. |
| Conjugation                | Unconjugated                                                                                                           |
| Product Description        | Anti-SHANK3 antibody (1600-1650)...                                                                                    |
| Clonality                  | Polyclonal                                                                                                             |
| Concentration              | 0.5 ug/ul                                                                                                              |
| NCBI                       | <a href="#">58234</a>                                                                                                  |
| UniProt                    | <a href="#">Q4ACU6</a>                                                                                                 |

|                    |                                                                                                                                                     |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | Tris/glycine buffer at pH 7.4 containing 0.02% sodium azide as preservative, cryo-protective agents, 0.5% stabilizing protein BSA and 30% glycerol. |
| Target             | SHANK3                                                                                                                                              |
| Antibody Type      | Primary Antibody                                                                                                                                    |
| Application Dilute | ELISA 1:10, 000, IHC 1:50-1:100, IP 1:150, WB 1:500                                                                                                 |
