| Manufacturer               | MedchemExpress                                                                                          |
| Category                   | Biochemikalien                                                                                          |
| Product Description        | rac-1-Linoleoyl-2-chloropropanediol-d5 is the deuterium labeled rac-1-Linoleoyl-2-chloropropanediol.... |
| Molecular Weight           | 378.00                                                                                                  |
| CAS Number                 | [2734919-87-8]                                                                                          |
| Formula                    | C21H32D5ClO3                                                                                            |
| Target                     | Isotope-Labeled Compounds                                                                               |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                             |
