| Product Description        | 6-Amino-5-nitrosouracil-13C2 is the 13C-labeled 6-Amino-5-nitrosouracil (HY-W053097).... |
| Molecular Weight           | 158.08                                                                                   |
| CAS Number                 | [2706486-83-9]                                                                           |
| Formula                    | C2 13C2H4N4O3                                                                            |
| Target                     | Isotope-Labeled Compounds                                                                |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                              |
