| Biozol Catalog Number      | MCE-HY-159709                                                                                                         |
| Supplier Catalog Number    | HY-159709                                                                                                             |
| Alternative Catalog Number | MCE-HY-159709-1MG,MCE-HY-159709-1MG(4.75MMX200ULINETHANOL)                                                            |
| Manufacturer               | MedchemExpress                                                                                                        |
| Category                   | Biochemikalien                                                                                                        |
| Product Description        | VL-422 is an ionizable cationic lipid that can be used for lipid nanoparticle (LNP) and drug delivery research[1].... |
| Molecular Weight           | 1052.59                                                                                                               |
| Purity                     | 96.90                                                                                                                 |
| CAS Number                 | [2765519-47-7]                                                                                                        |
| Formula                    | C62H117NO11                                                                                                           |
| Target                     | Liposome                                                                                                              |
| Application Notes          | MCE Product type: Oligonucleotides                                                                                    |
