| Supplier Catalog Number    | HY-W725608                                                                                                                     |
| Alternative Catalog Number | MCE-HY-W725608-5MG                                                                                                             |
| Manufacturer               | MedchemExpress                                                                                                                 |
| Category                   | Biochemikalien                                                                                                                 |
| Product Description        | N-Acetyl-S-(2,3-dihydroxypropyl)cysteine-d5 is the deuterium labeled N-Acetyl-S-(2,3-dihydroxypropyl)cysteine (HY-W725607).... |
| Molecular Weight           | 242.30                                                                                                                         |
| Formula                    | C8H10D5NO5S                                                                                                                    |
| Target                     | Isotope-Labeled Compounds                                                                                                      |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                                                    |
