| Alternative Catalog Number | MCE-HY-167991S-1UNIT                                                               |
| Manufacturer               | MedchemExpress                                                                     |
| Category                   | Biochemikalien                                                                     |
| Product Description        | Octylonium-d3 Bromide is the deuterium labeled AH 111-501 [sodium] (HY-167991).... |
| Molecular Weight           | 552.56                                                                             |
| Formula                    | C28H38D3BrN2O4                                                                     |
| Target                     | Isotope-Labeled Compounds                                                          |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                        |
