## Product Datasheet

### **(3-Methyl-isoxazol-5-yl)methylamine hydrochloride, CAS [[154016-55-4]] CBS-FM51707**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | (3-Methyl-isoxazol-5-yl)methylamine hydrochloride, CAS [[154016-55-4]] |
| Biozol Catalog Number      | CBS-FM51707                                                            |
| Supplier Catalog Number    | FM51707                                                                |
| Alternative Catalog Number | CBS-FM51707-250MG                                                      |
| Manufacturer               | Biosynth                                                               |
| Category                   | Biochemikalien                                                         |
| Molecular Weight           | 148.59 g/mol                                                           |
| Sequence                   | <chem>CC1=NOC(=C1)CN</chem>                                            |
| CAS Number                 | [154016-55-4]                                                          |
| Formula                    | C5H8N2OHCl                                                             |
