## Product Datasheet

### 4-methyl-1-(((4-((3-(trifluoromethyl)phenyl)amino)(3,5-thiazolyl))methyl)sulfonyl)benzene, CAS [[1119392-34-5]] CBS-UUB39234

|                            |                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Article Name               | 4-methyl-1-(((4-((3-(trifluoromethyl)phenyl)amino)(3,5-thiazolyl))methyl)sulfonyl)benzene, CAS [[1119392-34-5]] |
| Biozol Catalog Number      | CBS-UUB39234                                                                                                    |
| Supplier Catalog Number    | UUB39234                                                                                                        |
| Alternative Catalog Number | CBS-UUB39234-250MG                                                                                              |
| Manufacturer               | Biosynth                                                                                                        |
| Category                   | Biochemikalien                                                                                                  |
| Molecular Weight           | 412.5 g/mol                                                                                                     |
| Sequence                   | <chem>CC1=CC=C(C=C1)S(=O)(=O)CC2=CSC(=N2)NC3=CC=CC(=C3)C(F)(F)F</chem>                                          |
| CAS Number                 | [1119392-34-5]                                                                                                  |
| Formula                    | C18H15F3N2O2S2                                                                                                  |
