## Product Datasheet

### **N-(7-(O-ethyloxime)-5,5-dimethyl(4,5,6-trihydrobenzothiazol-2-yl))(4-chlorophenyl)formamide, CAS [[946387-15-1]] CBS-WMB38715**

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| Article Name               | N-(7-(O-ethyloxime)-5,5-dimethyl(4,5,6-trihydrobenzothiazol-2-yl))(4-chlorophenyl)formamide, CAS [[946387-15-1]] |
| Biozol Catalog Number      | CBS-WMB38715                                                                                                     |
| Supplier Catalog Number    | WMB38715                                                                                                         |
| Alternative Catalog Number | CBS-WMB38715-250MG                                                                                               |
| Manufacturer               | Biosynth                                                                                                         |
| Category                   | Biochemikalien                                                                                                   |
| Molecular Weight           | 377.9 g/mol                                                                                                      |
| Sequence                   | <chem>CCON=C1CC(CC2=C1SC(=N2)NC(=O)C3=CC=C(C=C3)Cl)(C)C</chem>                                                   |
| CAS Number                 | [946387-15-1]                                                                                                    |
| Formula                    | C18H20ClN3O2S                                                                                                    |
