## Product Datasheet

### CK 666, CAS [[442633-00-3]] APE-B5500

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Article Name               | CK 666, CAS [[442633-00-3]]                                    |
| Biozol Catalog Number      | APE-B5500                                                      |
| Supplier Catalog Number    | B5500                                                          |
| Alternative Catalog Number | APE-B5500-10MG,APE-B5500-50MG                                  |
| Manufacturer               | ApexBio                                                        |
| Category                   | Biochemikalien                                                 |
| Product Description        | Arp2/3 complex inhibitor that inhibits actin polymerization... |
| Molecular Weight           | 296.34                                                         |
| Purity                     | 0.9964                                                         |
| Sequence                   | <chem>Cc1c(CCNC(c(cccc2)c2F)=O)c(cccc2)c2[nH]1</chem>          |
| CAS Number                 | [442633-00-3]                                                  |
| Formula                    | C18H17FN2O                                                     |
